BOOTHVILLE EMMANUEL & FACTORY FARM TIMES

Reflection, not Perfection.

Hello and welcome to this 'end of year' edition of BERT.

It is that time of year again, Christmas is fast approaching, but there is no need to panic. Christmas is a time when we reflect upon what is important to us as we journey through Advent, Christmas, and we find the end of the year fast approaching.

Advent and Christmas are a time for reflection not perfection. Advent provides an opportunity to stop and reflect upon the year that is ending and a chance to focus on the 'what's next' it provides the opportunity to linger and consider the value of the present. The beauty of the moment that we can savour before we enter the busyness of Christmas. The blessing of a beautiful moment is that so often it comes following a time of waiting and preparation.

Can you remember as a child waiting for Christmas to arrive, it seemed like a long wait!. Christmas is a beautiful moment.

It is also a time where we find ourselves over-

whelmed by the expectations and pressures to produce and strive for the perfect Christmas. The perfect family time, the perfect setting, the perfect present, the perfect dinner! We constantly chase perfection.

Believe it or not, perfection is unattainable. If that is our goal, we will always fall short and it can leave us feeling disappointed, frustrated, and frazzled, not dazzled by the beautiful moment.

Whatever you find yourself doing this Christmas, whether it be that you are working on holiday, celebrating in the company of family and friends, or are spending this time alone, grieving the loss of a loved one, celebrating a new birth, or anything else in between.

May I encourage you to reflect upon the precious moment of Jesus' birth in the Christmas story, both beautiful and terrifying, serene, and chaotic. Emmanuel - God with us.

What will this Advent and Christmas mean for you as you reflect upon what is important and this beautiful moment? May you know that God's care for each one of us begins even before we take our first breath and continues for the rest of our lives.

Whoever you are, whatever you find yourself doing, wherever you go, my hope and prayer is one that this Christmas may be a time of reflection not one that chases perfection, may have a truly inspirational Christmas experience.

May the Love, Peace, Joy, and Hope of Jesus fill your hearts and homes this Christmastime and always.

With love and

Christmas Blessings

Yvonne

The Rt Revd John Holbrook announced as Acting Bishop

The Rt Revd John Holbrook, Bishop of Brixworth will be Acting Bishop for the Diocese of Peterborough when Bishop Donald retires in January, it has been announced.

Bishop John was installed as the Bishop of Brixworth in 2011 and serves as sponsoring bishop, working with the Diocesan Director of Ordinands on discerning people's call to ordained ministry.

He has oversight of retired clergy who have been given permission to officiate (PTO). He also cares for those working in chaplaincy roles, such as hospitals, prisons, schools or sports clubs. He regularly undertakes parish mission weekends.

He will continue in this role as well as taking responsibility for the diocese until a new diocesan bishop is appointed.

Accepting the new position Bishop John said: 'I am delighted to be invited to lead the Diocese through the coming year. We have a superb senior team and I look forward to continuing to work alongside them.'

Bishop Donald announced his intention to retire in July and will step down as the Bishop of Peterborough at a farewell service in the Cathedral on Sunday 8 January.

Bishop John will be supported in his new role by the Archbishop's Commissary, the Rt Revd Jonathan Meyrick. Bishop Jonathan was formerly Suffragan Bishop of Lynn in Norwich Diocese and has, since 2021, been an Honorary Assistant Bishop in the Peterborough Diocese.

Following his appointment of Bishop John as Acting Bishop, and with Bishop Jonathan as Commissary, Bishop Donald said: 'I am confident that, with our existing senior staff and office staff, they will be able to give a good lead during the coming year'.

This prayer was read at the Remembrance Service at Boothville. If you have a poppy use it as you pray if not just picture it in your mind.

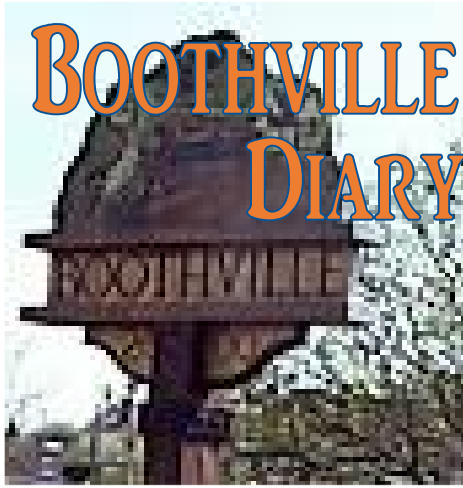

First, we hold one of the petals of the poppy. Father, the red of the petal is like the red of the blood shed by so many in the wars of the last century. We remember members of our family who were directly involved with those wars, some in the armed forces some left behind. We remember injury, trauma, death, courage, fear – lives changed forever. We give thanks for so many who were prepared to pay the highest price of all....

Now we take hold of another petal on our poppy. In doing so, we hold before God the violence and warfare of our own times – the simmering violence, the open hostilities and the threat of terrorism everywhere. We pray, Father, that you give us politicians and military leaders equal to the huge tasks they face – wise in judgement, calm in spirit, makers of peace.

Now we touch the centre of the poppy, the place where the seeds are kept, ready for new life. Lord, take the seeds of peace that lie in the hearts of your people everywhere and cast them generously over every continent and nation. Let those seeds germinate, grow and flourish. Beat our swords into ploughshares, our spears into pruning hooks and our weapons of mass destruction into technologies of peace.

Now we hold the green leaf (or green stem) and remember the green and growing hope that comes from faith alone, faith in a God for whom everything is possible, even in the darkest hour. May hope guide our politics, our nation, our thinking and our lives. May hope draw us ever nearer to that day when the world shall be filled with the glory of God as the waters cover the sea.

Lord in your mercy, forgive our foolish ways,
In your mercy help us listen before we fight,
In your mercy, hold back the men of war,
In your mercy, save the innocent,
In your mercy hear us, in your mercy,
in your mercy.

Since the last issue of Bert there seems to have been quite a lot going on at Boothville.

Like the other congregations, we held our Harvest Festival at the beginning of October. The congregation brought their donations for the food bank.

Once again they were very generous and we were able to take a car load of supplies to Moulton Park the next day.

Our Harvest Lunch followed the service.

Casseroles and crumbles supplied by members of the congregation have become quite a tradition. We recognise that we are so blessed to be able to do this and thank God for his goodness.

Donations for the meal raised a further £150 for the food bank. Jesus often spent time eating with his friends and followers and we feel that it is important in our church life at Boothville that we do likewise. All the congregation stop if they can and it is a time of socialising and getting to know each other better.

On 30th October we had the privilege of hosting the 'Living with Loss' service.

This was a lovely service led by Yvonne and Chris, with time to reflect and remember.

It was good to have members of both Emmanuel and Rectory Farm congregations join us. There were also several people unknown to us who we were able to chat with over tea and cake afterwards.

1st November was a very important day, when Precious was made a Lay Canon of Peterborough Cathedral.

The Boothville congregation went en masse and were joined by others from Emmanuel and Rectory Farm Churches. Precious had a new dress made especially for the occasion.

We had lunch at the Lumbertubs Pub and coffee at Boothville hall before boarding a coach for Peterborough. Precious is writing about the day in this edition of Bert but just to say it was a wonderful occasion and Precious looked radiant.

Later in November we celebrated Precious's 60th birthday at Boothville. Precious wore the dress she had made for her induction at the cathedral and provided us all with a buffet lunch. She received a bouquet of flowers and cards from the congregation.

Sadly, since the last edition of Bert, we have lost two members of our congregation. Rita Bracken was with us for a few years before needing to go into a residential home. Her funeral was on 15th November and the wake was at Boothville hall. Thanks go to Kathy and Simon who organised the catering for this.

Barbara Kent has been an active member of Boothville Church for many many years. Sadly she passed away on 1st November.

Barbara and her husband Michael joined Emmanuel in it's infancy before moving to Boothville where Michael played the piano. Barbara was strong in her faith all the way through her illness and accepted everything with good grace. She was an example to us all. Her funeral took place on 28th November. She will be sadly missed.

Once again this year John Weaver took part in the Historic Churches Ride and Stride.

He has pedalled away for this cause for decades and this year raised £107.50 for the church and of course, the same amount for the Historic Churches.

This charity did contribute towards the funding for the Emmanuel roof. Thank you once again to John.

Precious pictured with her birthday flowers

WE SHALL REMEMBER THEM

We had our annual Act of Remembrance on 13th November. It is good to be able to pay our respects out on the Boothville green by the cross and other members of the local community come and join us for 11am.

Rachael led the service for the first time and Roy Kay, a relatively new member of the congregation, who was in the RAF, laid the wreath. The wreath as usual was kindly provided by Roy Harland.

Still looking...

We have seen a decrease in people visiting us over the last few months since we moved the unit to temporary premises. (Emmanuel & Moulton Park) In October we fed 926 people compared to 1339 in September. This could partly be down to our move and some people not knowing where we are now but also we referred our guests to alternative foodbanks while we were closed and possibly some of them have stayed with those foodbanks.

We were also forced to change our opening times and cut out the Monday session altogether, so we are now only

Foodbank's temporary new home in the Ground Floor Room at Emmanuel

open on Wednesday and Friday. We are really keen to reinstate the three sessions per week when we find suitable permanent premises that will house both the foodbank and our warehouse.

We have had harvest festival recently and quite a few food donations so we haven't had to purchase any food stocks in October which is also partly down to the lower footfall. Tesco continue to be a big donor, their collection baskets really work well.

Donations for Christmas Treats

Northampton High School are collecting advent calendars and selection boxes for us.

We had a tombola stall in WFC recently and raised approx. £70 This was part of the fundraising we are doing for toys for the children at Christmas.

We are also having a Christmas Raffle which is being drawn by Sally Keeble at the volunteers 'thank you' tea on 7th December.

We realise that the rising cost of living is impacting on everyone and so foodbank is extremely grateful to people continuing to donate, enabling us to continue to feed those in need.

To maximise resources we are cutting costs and promoting the need for donations to foodbank where ever we can.

Monday Night Prayer

Every Monday evening at 7.30pm
via zoom, for an hour.

We pray mostly for our local communities and for our churches but also issues from all over the world. Anyone can pray as they feel led, or you can use the time to be quiet, listen and reflect. We find it very encouraging. It is wonderful how much we can feel the Holy Spirit's presence in a zoom meeting

Would you like to join us?

Contact Pip, she would love to send you the zoom link.

What is the Eco Church group?

The group is made up of people that care about the environment.

We believe that part of our responsibilities as Christians is to look after all forms of God's Creation and to advocate for others to do the same.

What can I do?

Volunteer to be on the Eco Church group

There will be simple Eco changes you can make at home in each edition of BERT

Be more aware of God's Creation and our impact on it and how we can improve it

If you have any ideas or suggestions please tell Rachel Tighe or Rachael Warnock

More information can be found at

www.ecochurch.arochoa.org.uk

It is at a time of enormous change in the UK with a new King and a new Prime Minister in place. Our environment is also changing around us faster than some scientists predicted, as we've seen with devastating consequences in Pakistan and elsewhere.

Thankfully, we believe in a God who is unchanging, the same yesterday, today and forever, and it is with this framing that we celebrate God's creation and are prompted to act to protect it.

WHAT CAN WE DO?

When you buy meat and fish

take your own airtight food container into shops and supermarkets to cut out the plastic packaging.

Wrap parcels the old-fashioned way - in brown paper, tie with string then secure with sealing wax, rather than using sticky tape.

Save power

Turn off lights when not needed, run your washing machine at 30 degrees, install double/triple glazing or thick curtains, insulate the roof.

Don't leave your TV on standby.

Refuse plastic wherever you can.

Say 'No, thank you' to any single-use plastic items, from cutlery to straws – in shops and food outlets and explain why.

Cut coffee-cup waste by carrying your own reusable cup eg. bamboo and corn travel mugs, with earth-friendly silicone lids.

Invest in a refillable glass water bottle and carry your own reusable straw for juices eg. bamboo or silicone drinking straws

Use organic cotton face/hand cloths

Rather than wet wipes or make-up remover pads and never put wipes down the loo.

Made of polyester, a plastic that takes years to degrade & releases millions of tiny fibres into rivers. The Dept for Environment now classes wipes as a serious environmental hazard.

Lay Canon Precious Luke

On the 3 May I received a letter from Bishop Donald asking if I will be willing to join the College of Canons as a Lay Canon of the Cathedral. He stated that "I had made a significant contribution to the life of our diocese and in the wider church and both he and the Dean would be delighted if I would accept this honour"

I read the letter several times just to make sure I understood what I was reading and then showed it to my husband, who like me was absolutely thrilled.

As a Lay Canon, I am part of a team who are responsible for the running of the Cathedral and what happens there. I am also an ambassador for the Cathedral, a critical friend and a prayer partner.

My installation took place on Tuesday, 1 November during Evensong at the Cathedral and what a day that was. I shared the whole day with my families and many of us celebrated with lunch and then made our way to Peterborough by coach.

I want to thank Kathy Norris for making the day so much more special, enabling so many of you to make the journey to Peterborough and share this incredible day with me.

Sitting in the Cathedral, many thoughts were going through my mind. God's hand has always been on my life and serving Him is my greatest joy, but in serving Him,

I am serving you....how blessed am I!

Contemplating what would happen next, my heart was bursting with pride as I looked to my left and saw my family and to my right, my church family and friends and I realised that I was representing all of you.

As Bishop Donald said my name, Lay Canon Maureen Precious Luke, I had to hold back the tears as one of my favourite scriptures filled my heart. **"Therefore humble yourselves under the mighty hand of God [set aside self-righteous pride], so that He may exalt you [to a place of honour in His service] at the appropriate time"** 1Peter 5: 6 (Amplified Bible)

When I was 50, I was licensed as a Lay Reader. At 60 I am now a Lay Canon and I am excited about what God has in store for my future.
